

PLEASE JOIN US IN HELPING COACH MIKE POWELL FIGHT POLYMYOSITIS.

After four years of outstanding leadership, dedication, and very hard work, in February 2009, Coach Powell led the Huskies to win the IHSA Team Wrestling State Championship in Bloomington, IL. Not long after, Coach Powell was diagnosed with a rare auto-immune disease called polymyositis. Not much is known about this disease – it is difficult to diagnose and treatment varies tremendously from patient to patient, and no one treatment works for everyone. Through research, the mystery of myositis will be solved and, ultimately, a cure will be available.

Mike is a born fighter, but he could always use some help.

**Pizza &
Pop
Provided!**

**All proceeds will be
donated to the
Myositis Association.**
